

# Clean the Poudre 2011

## Down Town Fort Collins River Clean Up

Join **Mountain Whitewater Descents** for their annual Cache la Poudre River Cleanup. With help from our co-sponsors **Save the Poudre** and the **City of Fort Collins Natural Areas Program**, we will clean all along the Poudre trail from Taft Hill Road to Lemay Avenue, possibly further.

Cleanup meets **Saturday, May 21, 2011 @ 9am** and will last until noon. All you need is gloves, sunscreen & the desire to make a difference in our community. **Meet @ Lee Martinez Park** in the main parking lot. Any and all volunteers are welcome; please register at the check-in table prior to the cleanup.

**New World Sports** will provide bike trailers to haul the trash bags off the trail, and **Gallegos Sanitation** is donating trash & recycling bins for the event.

Please try to carpool or ride bikes to reduce parking congestion and to reduce the event's carbon footprint. Also, make sure to dress for the weather. We will clean the river rain or shine!!

For more information Call @ 970-419-0917 or email [ben@raftmwd.com](mailto:ben@raftmwd.com) or visit our website: <http://www.raftmwd.com/about-us/environment-community>
