GOVERNOR RITTER CONTINUES TO PROTECT COLORADO'S WATER AND ENVIRONMENT

"Conservation has to become an ethic in the West."

—Colorado Governor Bill Ritter, 6/14/2009

Park City, Utah —At last weekend's Western Governor's Association conference in Utah, a significant amount of time was focused on the West's water challenges. In his remarks to the Western Governors, Colorado Governor Bill Ritter continued to lead in promoting the protection of Colorado's water and environment. Here are two links to news articles:
